

“For, dear brothers,
you have been given
freedom:
not freedom to do wrong,
but freedom to love
and serve each other.
For the whole Law
can be summed up in
this one command:
‘Love others as you
love yourself.’”

Galatians 5:13-14

Local Organizations

House of Neighborly Service

For over 60 years, the House of Neighborly Service has provided help and hope to those in our community facing poverty. HNS provides assistance with food, clothing, rent/utilities, transportation and household needs. Comprehensive case management and counseling services help provide long-term solutions to bring people out of crisis and into self-sufficiency.

Habitat for Humanity

Since 1987, Habitat for Humanity has worked to provide safe and affordable housing to low-income individuals and families in our area. Volunteer workers build houses in partnership with prospective homeowners who must personally donate at least 250 hours per adult. Completed houses are sold to recipients with an affordable, low-interest mortgage.

Community Kitchen

Established in 1996, Community Kitchen provides food for the hungry, conversation for the lonely, and rest for those struggling. Open seven days a week, Community Kitchen provides either hot meals or sustainable carry-out bags to the homeless, working poor and low-income seniors.

National Organizations

Presbyterian Disaster Assistance

Presbyterian Disaster Assistance is the disaster response ministry of the Presbyterian Church (U.S.A.). It renders aid to individuals and communities adversely affected by catastrophic events such as tornadoes, hurricanes, floods, fires and other natural disasters. PDA also responds to people in crisis situations such as those in Ukraine. PDA is currently focusing on relief efforts for those impacted by Hurricane Freddy in Africa, the wildfires in Maui, Hurricane Idalia in Cuba, Mexico and the S.E. portion of the U.S., and aid to Afghan refugees.

International Organizations

Marion Medical Missions

Marion Medical Mission works in Malawi, Tanzania and Zambia, Africa. MMM, working side by side with indigenous villagers, installs shallow wells in remote areas. A single well provides a sustainable source of clean, safe drinking water for close to 135 men, women and children.

Engalaweni School Breakfast Program

The Engalaweni School Feeding Program provides a fortified breakfast porridge for primary school students in Engalaweni and surrounding village schools. Providing a daily meal encourages students to attend school and increases their ability to learn.
