2022

A gift given in your
name, and
a new gift received by
our community!

Alternative
Giving
2022

A gift given in your
name, and
a new gift received by
our community!

In honor of you, a donation has been made provide an African village with a sustainable source of clean drinking water to 125 members. This includes the training for village members to learn to maintain and continue used of a well. They have designated this gift of:

- Parts of a well
- Complete well

May God be with you in season, blessing yours and this community in the coming year.
